Wichita, KS Metro Area Meetings of Alcoholics Anonymous including District 19

Singleness of Purpose

There are those who predict that A.A. may well become a new spearhead for a spiritual awakening throughout the world. When our friends say these things, they are both generous and sincere. But we of A.A. must reflect that such a tribute and such a prophecy could well prove to be a heady drink for most of us - that is, if we really came to believe this to be the real purpose of A.A., and if we commenced to behave accordingly.

Our Society, therefore, will prudently cleave to its single purpose: the carrying of the message to the alcoholic who still suffers. Let us resist the proud assumption that since God has enabled us to do well in one area, we are destined to be a channel of saving grace for everybody.

pg. 232 A.A. Comes of Age

GOD,

Grant me the

Serenity

to accept the things
I cannot change,

Courage

to change the things I can,

and **Wisdom**

to know the difference.

Revised March 31, 2021

Please note!

(C) “Closed Meeting”— is a meeting to be attended by alcoholics only. This may include troubled persons who are attempting to determine if they have a drinking problem and if they should become members of our fellowship.

(O) “Open meeting”— literally means that it is open to any person who wishes to attend. We are accustomed to seeing non-alcoholic spouses of A.A. members and other close relatives and friends at these meetings. However, other interested persons such as social workers, clergymen, physicians, jurists, students, journalists, etc., have been known to attend open meetings, and this is permissible by definition.

The sole purpose of Alcoholics Anonymous is to help the alcoholic who wants to stop drinking

A.A. works primarily through local Groups. Each A.A. Group is independent. These groups meet at specific locations and times for the purpose of discussing problems relating to alcoholism and how to overcome them.

These meetings provide fellowship and understanding.

There are A.A. meetings every day of the week, including Sundays and Holidays. Groups listed in this meeting directory are listed at their own request.

This directory is published for the sole purpose of locating A.A. meetings, and is not to be used for any other purpose whatsoever.

HOW IT WORKS

Reprinted from the book Alcoholics Anonymous ®
Copyright © 1939, 1955, 1976, 2001 by AAWS, Inc.

Rarely have we seen a person fail who has thoroughly followed our path. Those who do not recover are people who cannot or will not completely give themselves to this simple program, usually men and women who are constitutionally incapable of being honest with themselves. There are such unfortunates. They are not at fault; they seem to have been born that way. They are naturally incapable of grasping and developing a manner of living which demands rigorous honesty. Their chances are less than average. There are those, too, who suffer from grave emotional and mental disorders, but many of them do recover if they have the capacity to be honest.

Our stories disclose in a general way what we used to be like, what happened, and what we are like now. If you have decided you want what we have and are willing to go to any length to get it—then you are ready to take certain steps.

At some of these we balked. We thought we could find an easier, softer way. But we could not. With all the earnestness at our command, we beg of you to be fearless and thorough from the very start. Some of us have tried to hold on to our old ideas and the result was nil until we let go absolutely.

Remember that we deal with alcohol—cunning, baffling, powerful! Without help it is too much for us. But there is One who has all power—that One is God. May you find Him now!

Half measures availed us nothing. We stood at the turning point. We asked His protection and care with complete abandon.

Here are the steps we took, which are suggested as a program of recovery:

1. We admitted we were powerless over alcohol—that our lives had become unmanageable.
2. Came to believe that a Power greater than ourselves could restore us to sanity.
3. Made a decision to turn our will and our lives over to the care of God *as we understood Him*.
4. Made a searching and fearless moral inventory of ourselves.
5. Admitted to God, to ourselves, and to another human being the exact nature of our wrongs.
6. Were entirely ready to have God remove all these defects of character.
7. Humbly asked Him to remove our shortcomings.
8. Made a list of all persons we had harmed, and became willing to make amends to them all.
9. Made direct amends to such people wherever possible, except when to do so would injure them or others.
10. Continued to take personal inventory and when we were wrong promptly admitted it.
11. Sought through prayer and meditation to improve our conscious contact with God *as we understood Him*, praying only for knowledge of His will for us and the power to carry that out.
12. Having had a spiritual awakening as the result of these steps, we tried to carry this message to alcoholics, and to practice these principles in all our affairs.

Many of us exclaimed, “What an order! I can’t go through with it.” Do not be discouraged. No one among us has been able to maintain anything like perfect adherence to these principles. We are not saints. The point is that we are willing to grow along spiritual lines. The principles we have set down are guides to progress. We claim spiritual progress rather than spiritual perfection.

Our description of the alcoholic, the chapter to the agnostic, and our personal adventures before and after make clear three pertinent ideas:

- (a) That we were alcoholic and could not manage our own lives.
- (b) That probably no human power could have relieved our alcoholism.
- (c) That God could and would if He were sought.

THE TWELVE TRADITIONS OF ALCOHOLICS ANONYMOUS

(SHORT FORM)

1. Our common welfare should come first; personal recovery depends upon A.A. unity.
2. For our group purpose there is but one ultimate authority—a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.
3. The only requirement for A.A. membership is a desire to stop drinking.
4. Each group should be autonomous except in matters affecting other groups or A.A. as a whole.
5. Each group has but one primary purpose—to carry its message to the alcoholic who still suffers.
6. An A.A. group ought never endorse, finance, or lend the A.A. name to any related facility or outside enterprise, lest problems of money, property, and prestige divert us from our primary purpose.
7. Every A.A. group ought to be fully self-supporting, declining outside contributions.
8. Alcoholics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.
9. A.A., as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.
10. Alcoholics Anonymous has no opinion on outside issues; hence the A.A. name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.
12. Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles before personalities.

A.A. Preamble

Alcoholics Anonymous is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism. The only requirement for membership is a desire to stop drinking. There are no dues or fees for A.A. membership; we are self supporting through our own contributions. A.A. is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy, neither endorses nor opposes any causes. Our primary purpose is to stay sober and help other alcoholics to achieve sobriety.
